## Supplementary Demands Charter of HAUTA (2016-17)

1. The awarding of marks for the career assessment of scientists should be at par with LUVAS, Hisar.
2. The quality of identity card is very poor and need to be upgraded at least at par with the LUVAS, Hisar.
3. The tour programme of scientists should be approved by the concerned HOD rather than controlling officers as in the PAU, Ludhiana.
4. The scientist should be allowed to travel by their own vehicle as per the rate fixed by the University as in the GJU, Hisar.
5. Adopting the movement chart on file is good but the clearance of files should be fast.
6. The houses should be repaired well at the time of allotment. There is water problem in the last line 9 Type of houses.
7. The university gate No. 4 should be opened for the university employee even when it is closed in the evening for one hour for vehicle having university sticker or on production of identity card.
8. The Research Associates who are working in the university more than 15 years continuously in the ACRIP projects may be adjusted against the assistant scientist or should given priority while filling the post of Assistant Scientist in the concerned disciplines.
9. The employment to 25 retired scientists should be provided against the quota increased in the Board of Management.
10. The permission for going abroad should be given on priority.
11. Students should be responsible for time bound submission of synopsis rather than his/her advisor.
12. The registration for common courses should be done by the concerned Deans office for UG students.
