Dept of Agril Meteorology, CCS Haryana Agril University, Hisar

Sponsors:

Oral Presentation

**Emerging Challenges For Chickpea Production System
Under Current Ecological Changes**

VS Lather, Surender Singh and Diwan Singh

National Seminar
on
**Agrometeorology-Needs, Approaches
and Linkages for Rural Development**
26-27 November, 2009
Organized by
Association of Agrometeorologists (Hisar Chapter)
Dept of Agril Meteorology, CCS Haryana Agril University, Hisar

Sponsors:

Oral Presentation

Evaluation of different methods for evapotranspiration estimation
using Automatic Weather Station data

S Chowdhury, MK Nanda, G Saha and N Deka

Dr Asis Mukherjee, **1st Prize**

National Seminar
on
**Agrometeorology-Needs, Approaches
and Linkages for Rural Development**
26-27 November, 2009
Organized By
Association of Agrometeorologists (Hisar Chapter)
Dept of Agril Meteorology, CCS Haryana Agril University, Hisar

Sponsors:

Poster Presentation

Relationship between actual evapotranspiration estimated by water balance method and soil moisture depletion method

Asis Mukherjee and S Sarkar

Dr A Vasistha, 2nd Prize

National Seminar
on
**Agrometeorology-Needs, Approaches
and Linkages for Rural Development**
26-27 November, 2009
Organized By
Association of Agrometeorologists (Hisar Chapter)
Dept of Agril Meteorology, CCS Haryana Agril University, Hisar

Sponsors:

Poster Presentation

**Effect of debranching on growth and yield of mustard under
varying weather conditions**

A Vashistha, DK Das, G Bhagawati, B Najary, PK Sharma & NVK Chakrarvarty

Mr Jugal K Mani, *Certificate of Appreciation*

National Seminar
on
Agrometeorology-Needs, Approaches
and Linkages for Rural Development
