

Graphic Art Society

About the Society:

The Graphic Arts Society was established with the establishment of Haryana Agricultural University in the year 1970. Photography, Art (Painting, sketching, rangoli, clay modeling, collage making, cartooning, poster making etc.) are its components. However, photography is being offered as one of the co-curricular activity of the university course curricula for UG students. Its main objectives are:

- Imparting training of photography through the regular course for UG students of the university.
- Imparting training of art and photography through trainings/workshops/lectures for UG and PG students of the university.
- Providing opportunity for UG/PG students of university to compete in photography and art activities at university and national level.
