

About NSS

National Service Scheme (NSS) came into existence in colleges and universities of India on 24th September, 1969 on the birth centenary of Mahatma Gandhi. He believed that the students should do something positive to raise the life of the villagers to higher material and moral levels.

Aims and Objectives

The overall objective of NSS is service to the community by the students while undergoing instructions in colleges. It aims at improvement in personality through service to the community.

Motto

NOT ME, BUT YOU
