Dated, Hisar, the: 21/1/13

Subject: Enforcement of safety measures while driving vehicles in the University Campus.

Your kind attention is invited to the decisions taken in the meeting of Students' Welfare Committee held on 24.12.2012 under the Chairmanship of Director Students' Welfare wherein, inter alia, it was decided that safety measures should be adopted strictly by all while driving vehicles at the University Campus and violators of traffic rules be dealt with promptly.

2. As per traffic rules, triple riding on two wheelers, riding without helmet, use of vehicles with tinted glasses etc. is prohibited. But it has been observed that these rules are being violated very frequently by the vehicle drivers, moving in the University Campus. There is compulsive necessity to ban the entry of such vehicles in the University in order to avoid any untoward incidents. Sometimes mischievous elements and unauthorized outsiders enter the University Campus and violate the traffic rules while moving in the University Campus. In order to curb such tendency and to maintain congenial atmosphere in the University, it has been decided that there will be complete ban on the entry of the following vehicles in the University Campus forthwith:-

- i) Triple riding on motorcycle/scooter/bike etc.
- ii) Riding without helmet on motor cycle/scooter/bike etc.
- iii) Vehicles with black films/tinted glasses.

3. You are, therefore, requested to kindly bring these instructions to the notice of all the employees and students of your office/department for meticulous compliance thereof. Where there is any violation of above instructions, defaulters will be handed over to the Incharge, Police Chowki, CCS HAU by the security personnel of the University.
