Your attention is invited to the instructions issued vide this office Memo.No.Admn.F.3/2005/V-20/1245-344 dated 9.3.2005 (copy overleaf) which clearly provide that where the overall grading has been given as good/above, the other observations of advisory nature are not to be treated as part of the Self Assessment Report.

2. A number of representations are being received from the faculty members for expunction/withdrawal of such advisory remarks recorded in their SARs.
3. It is clarified with the approval of the Vice-Chancellor that such advisory nature remarks are given not to harass anyone but to seek further improvement in education and profession through the faculty. The instructions dated 9.3.2005 are thus, reiterated.
4. This clarification may be brought to the notice of the concerned faculty and also place a copy in the SAR files of all the concerned teachers/scientists to avoid any complication at later stage.
