Dear Sir,

Please refer to the order of Hon'ble Supreme Court in the Writ Petition (Civil) No.728/2015 regarding noise pollution due to fireworks on the eve of Diwali. In its said order, the Hon'ble Supreme Court has directed the Government to give wide publicity to the ill-effects of fireworks and encourage restraint and responsible use including encouraging teachers to tell the students not to buy and use fireworks. UPON hearing the counsel the Court made the following  
O R D E R

Application for impleadment filed on behalf  
of Sri Kalishwari Fireworks is allowed.

Certain suggestions are made by Dr. A.M.

Singhvi, learned senior counsel appearing for the petitioners which are as under :

1. Restrict licences to low hazard fireworks.
2. Period of grant of license is too early- need not be from 2 days prior to Dussehra.
3. Restrict window for use of fireworks to be from 7:00 p.m. to 9:00 p.m.
4. RWAs to hold community fireworks for a brief period of 30 minutes on a single day.
5. Government be directed to give wide publicity to the ill effects of fireworks and encourage restraint or responsible use.
6. Encourage teachers to tell students not to buy and use fireworks.

In our view for the present if we accept suggestion Nos. 5 and 6 it will not in any way affect the interest of the respondents.

Shri Ranjit Kumar, learned Solicitor General appearing for the Union of India states that the Union Government has already taken enough and effective steps to give wide publicity to the ill effects of fireworks.

In spite of the submission so made by the learned Solicitor General, we intend to pass the

following order:

"The Union Governments and all the State Governments will give wide publicity both in print and Electronic media to the ill effects of fireworks and advise people accordingly.

We also direct the Teachers/ Lecturers/ Assistant Professors/Professors of the Schools and Colleges to educate the students about the ill effects of the fireworks.

The respondents shall complete the pleadings in a week's time.
